**Wednesday December 20, 2023 -Office Christmas Party**  
**December 25th thru January 2nd**

# American Red Cross

**SKY HARBOR**  
TOWERS

# Annual Blood Donation

**November 7, 2023**

Join us from 9 am to 2 pm at the On-site  
Bloodmobile .

We will be having our Annual fire drill Thursday, November 16th, at 10:00 am. We are asking that only the designated suite wardens and searchers assigned to each of your offices are informed of the fire drill. In our experience when you advise your office staff of the date and time of the drills everyone starts to evacuate the buildings prior to the horns sounding off. The purpose of the drill is to ensure that in the case of an actual fire everyone knows how to evacuate the buildings correctly.

We will also have some treats waiting for everyone in the Lobby of Building 4605 once the drill has been completed.

We appreciate everyone's participation in this mandatory drill.

Property Management Team
